Name: \_\_\_\_\_

Phone: \_\_\_\_\_

Address: \_\_\_\_\_

Cell: \_\_\_\_\_

\_\_\_\_\_

Email: \_\_\_\_\_

Please tell us a little bit about yourself; include any medical training, skiing or riding experience, and what days you would be available to patrol.

Why do you want to join the Patrol?

Who referred you the Patrol? \_\_\_\_\_

We are currently accepting applications for weekday patrollers only. As a member of the patrol, you will be expected to patrol at least 17-weekdays per year for a minimum of five (5) years. Your first year will be your training year. Training starts in September and runs until approximately the second week of March. It is expected that you will be present for each and every training day. Once you have successfully passed your OEC and S&T evaluations next March, you will become a full patroller. The following season is your probation year during which time we will monitor your dedication and performance. We expect you to perform your duties efficiently, respectfully and with the utmost courtesy at all times. You will have a mentor to work with you for as long as you need. This mentor will assist you with opening and closing procedures, local protocol, and daily routines specific to the HoliMont Ski Resort as well as HoliMont Ski Patrol.
