PREMIUM CONDITIONS

We Make Snow!

These days it seems like winter changes course as much as your schedule. Make sure that your days on snow are the ones you remember.

HoliMont delivers the most consistent ski surface in the area. Even when the weather doesn't cooperate our robust snowmaking and meticulous grooming is what you can expect, every time.

Please check our online slope report before your visit. Daily/Hourly weather conditions can affect current snow and surface conditions.

Your Responsibility Code

Skiing can be enjoyed in many ways. At ski areas you may see people using alpine, snowboard, telemark, cross country and other specialized ski equipment, such as that used by disabled or other skiers. Regardless of how you decide to enjoy the slopes, always show courtesy to others and be aware that there are elements of risk in skiing that common sense and personal awareness can help reduce. Observe the code listed below and share with other skiers the responsibility for a great skiing experience.

Know the code.
It's Your Responsibility.

Always stay in control, and be able to stop or avoid other people or objects. People ahead of you have the right of way. It is your responsibility to avoid them. You must not stop where you obstruct a trail, or are not visible from above. Whenever starting downhill or merging into a trail, look uphill and yield to others. Always use devices to help prevent runaway equipment. Observe all posted signs and warnings. Keep off closed trails and out of closed areas. Prior to using any lift, you must have the knowledge and ability to load, ride and unload safely.
