Introducing. . . .our new HoliLeaf Editors - JOYCE & EVAN EVANS

We welcome Joyce and Evan as our new editors, and wish them much success. Actually, they are "old pros" at writing the 'Leaf.....being editors before us. Therefore, we know their past experience and friendship with everyone on the hill will allow them to bring you an informative and entertaining 'Leaf.

Carol and I have enjoyed your support these past years, and know Joyce and Evan will appreciate the same.

Dave and Carol Pitkin

ALL MEMBERS MEETING on Future Facilities planned for JANUARY 4 at 4 PM.
If no snow, meeting will be held JANUARY 12 at 4 PM Main Chalet.

SOCIAL - Barney and Sybil Matteson

HAPPY NEW YEAR from the Social Committee.....

Although the skiing was "limited" over the holidays, the parties were not. The Board of Directors staged another swinging Dixieland Night, and an intimate but lusty group of Holimonters brought in the New year while dancing to the upbeat music of the Circle of Fifths. A special thank you to the members of the Board who "called out the troops" and manned the taps December 27, and to Reta and Bob Schroeder who poured the "bubbly" New Years Eve. Thanks also to those super Holikids who helped decorate the chalet for that night.

But now on to the new decade.....1980

We are happy to have these Members and Junior Members as part of our Holimont family, and hope their association with Holimont will be an active and fruitful one.

EDITORIAL from the Ski School Director:

Some thoughts have occurred to me that I thought were of note concerning the past three years that I have been teaching at Holimont. Holimont has a tremendous number of skiers with many years of experience, and obviously, there are very few beginners in our midst.

Sometimes I think that people that have skied for many year take for granted their ability - good, bad of indecent. Just because you can get down the hill without falling, and just because you have skied for 10 or 20 years, doesn't mean you cannot improve. The old expression of not being able to teach an old "dog or cat" new tricks simply does not apply to skiing.

As most of you know, we have had a very enthusiastic and successful Sunday morning class for the many middle aged gentlemen who grace our slopes. Most of these fellows have skied, and I think, by and large, assumed they were at the end of the line as far as their improvement on the slopes was concerned. This is simply not the case. While it is true that someone with ingrained habits of 10 or 20 years would not learn as fast as a 14 year old beginner, nor progress as quickly as a 4 year old skier, significant improvements can be realized. It takes a longer period of time to change old habits, and certainly the muscles of a 45 year old are more difficult to train than those of a 5 year old.

A case in point (with which yours truly has been privileged to be associated) are some of the fellows in the Sunday morning class. Anyone who has known Chuck Twichell for a number of years, then saw him skiing this past winter, would not recognize the same person. Take for example, Dick Turner. Dick has been patient in learning, and last year, after having skied many years, improved 100%. Even and "old dog" like Dick Walters, I think, would freely admit that his consistent lesson approach on Sunday morning has been extremely beneficial and has changed his whole outlook on skiing.

The question comes up - why do we think it is necessary to be a better skier. Generally speaking, better skiers look better, ski longer, ski more safely, and ski a wider variety of conditions, and look "prettier to boot." Some of us are really not taking advantage of the equipment we are using. Some of us are "driving" a race car with old fashioned techniques.

The purpose of this little dissertation is to let all those who are interested know that we in the Ski School are patient, and are capable of teaching some of the "old dogs and cats" things they never dreamed they could do. However, you have to be patient with yourself and with us, because it does take a longer period of time and cannot be done in a one or two session cram course. YES, WE WILL HAVE THE MEN'S CLASS ON SUNDAY MORNING AT 9:15 AS USUAL. I HAVE ENJOYED THIS GROUP SO MUCH I THINK SOMETIMES I SHOULD PAY THEM FOR GIVING ME THE PRIVILEGE OF CONTRIBUTING TO THEIR SUCCESS ON THE SLOPES. Some of you may be surprised at what you could accomplish, if you are patient, take the time and interest to do so.

Sincerely
Dick Ferrick - Ski School

WINTER CARNIVAL -- "Holimont Olympics" -- February 16 & 17

.....Now a word from our Winter Carnival Committee,

"Without you, we can't afford to win....." **

** When we say "win," we mean participate. So join the fun!

Carnival Weekend is FEBRUARY 16 & 17, and the theme is "Holimont at the Olympics," henceforth called:

THE 1980 HOLIMPIAD

Further details to follow. Anyone wishing to help with Carnival should contact HARRY & URSULA PELISSERO (416) 386-6818

HOUSE A CHAMPION - Ann and Alan Ryan

Many people have already offered to billet the racers. We have your names but are unable to assign specific racers at this time. We will not know the entries until the week prior to the race. We will then be contacting you by mail with more specifics.

Pick-up time is Friday, February 22, 7-10 p.m., at the Main Chalet. Since these kids are serious about

their racing, we would appreciate your claiming your guests as early as possible.

Basically your responsibilities would be Saturday meals and Sunday morning breakfasts. As far as entertaining the kids, they are not too interested in evening functions. They are here strictly to race.

Thank you all for your help.

House a Champion for the NY State III & IV Championship

When: Friday & Saturday, February 22 and 23

Pick-up Time: Friday, February 22, 7-10 PM at the Main Chalet

We look forward to housing:

RACING NEWS: Betsy Munro

Despite the less than ideal snow conditions, the Holimont Racing Camp was held for older registrants. Morning sessions were held on Exhibition Run, and afternoon sessions were critiques of video-taped racers in practice runs. Dick Robison (certified U.S. ski and race instructor), Cam Watson (certified Canadian Ski Coach), also attended the U.S. Coaches Clinic in Albany, N.Y. and is hoping to finish his U.S. Certification this year, and Warren Wilkinson (Certified Canadian Coaches Assoc.) were the loyal coaches. They worked under difficult conditions and are to be commended for their accomplishments. At present we are hopeful that the weather will improve, and the remaining registrants (PLEASE, NO FURTHER REGISTRANTS) will be given weekend sessions in January. WATCH FOR POSTERS IN THE MAIN CHALET.

EASTERN MEMBERSHIPS ARE REQUIRED BY THE III & IV RACERS. IF YOU DO NOT HAVE AN APPLICATION, SEE JOYCE EVANS.

The I & II team members include Greig Leiser, Gloria Paron, Stewart Ritchie, Dave Elliot, Tim Smith, Robb Kellock, Scot Munro, Victoria Watson, Michelle and Heather Malcomson, Ann Fleck, Ann Humphrey. The traveling III & IV team consists of Mary Elliot, Julie Ritchie, Susie Evans, Dean and Ross De St. Croix, Andrew Field, Pat Fitzsimons, Lana Paron, John Swanson, Don Kellock, Matt and Brad Smith, Julie Kellock, Sheri Richardson. More members will be added later in January when the weather permits trial races.

ALL THIS AND THE NEW YORK CHAMPIONSHIP III & IV RACE TOO! ! !

Plans are well underway for this big event to be staged at Holimont Feb. 23 and 24, 1980. There will be approximately 150, 12 and 13 year old participants from the entire state of N.Y. all having qualified in previous races. These are the elite in their age group and we at Holimont are privileged to be the host club. We hope that all members will take a special interest in these children, and will lend a helping hand. If you wish to help in any way please contact Clarke and Betsy Munro 699-4810 or Bill Smith OR for billeting Alan and Ann Ryan.

Let us toast the New Year, and the "Big Race" and PRAY FOR SNOW!

HOLINOTES

Bill Weir has a new pair of "hinged" skis. While snowplowing across the grass on Exhibition, as Bill explained, "Something reached up and grabbed my leg." Oh well, it should be easier to store..... Dee Smith came out of Christmas retirement New Year's Day, made three runs and proclaimed the hill safe.....Let's all try to cheer Scotty up ----the poor guy thinks the lack of snow is all his fault..... The racing coaches caught sitting around the chalet with long faces. Don't worry boys, look at Lake Placid. THINK SNOW!!!! And speaking about the Olympics, how about that Cindy Oak, daughter of Ski Patroller Doug Oak -- she's been named to the Olympic Training Squad, and has been skiing the World Cup Circuit. She placed 16th in her last World Cup race at Zelsay Austria, and she is ranked 4th in the Downhill for the American girls.....What better reason to support JET SET NIGHT, we may very well have a future Olympian at Holimont.....Beware of the night crawlers (Bill Smith, Don Cutler, Leo and Ben) -- those secretive minions of darkness who lurk about moving the snow guns hither and thither across the hills..... poor Ron Kane -- Ohio State did it again! Will Pitkin dare to come to the Buckeye party as the "Trojan Horse".....But now to paraphrase an old Christmas carol -- "let's have holly, let's have mistletoe, LET'S HAVE SNOW! "

TAKE NOTE.....The GROUNDHOG will appear.....FEBRUARY 6.

COMMUNITY NEWS

The Ellicottville Fire Department visited Holimont residences to give out emergency number stickers for your phone. If you did not receive them, they are available at the ticket office at Holimont, or from the Fire Department. These stickers are very important, because they are coded to give the exact location of your residence in event of an emergency.

The Police Department has requested that members who have housing in Ellicottville (especially owners of co-ops) advise them of your home addresses and phone numbers in case of an emergency.

JET SET NIGHT

FEBRUARY 2, 1980

5:30 p.m. Club House Chalet

The enclosed ticket is good only if you send us a check -- see # 8 below.

(1) What is Jet Set Night? A lottery type event (and party in the Club House) aimed at raising funds for coaching and equipment to assist young Holimonters in mastering the basic skills of racing.

(2) How many young people have participated? In the last 5 years over 600 have enrolled in the Christmas camps, about 400 of these continued to take racing in the season programs, and over 200 represented Holimont at meets within the State.

(3) How does this affect Holimont? It makes Holimont one of the safest places to ski in the Eastern U.S. and Ontario. It also creates a confidence and a competitive spirit in our young people.

(4) Who supports Jet Set Night? Two basic groups:

(1) Club members and friends donate gifts and buy tickets.

(2) Local merchants (and some in members' hometowns) donate gifts.

Last year 48 merchants or associations and over 70 Holifamilies and friends donated gifts.

(5) What could I win? There were few duplicates in prizes and not many losers. Gifts ranged from **SEA or ski holidays to dinners -- skis,** hats, goggles, bottles, baskets, hangings, jackets, games, brakes, poles, motels, hockey tickets, calculators, etc.

(6) How can I participate?

TO DONATE A GIFT -- call one of the names below - or bring it to the Club House January 26, 27 or February 2.

AS A WORKER -- call us - we need ticket sellers, snack makers, merchant canvassers, party organizers, bartenders, and ski racers as promoters.

(7) What is Ticket Price?

\$15.00 U.S.

\$17.50 Canadian

Full Ticket includes: One chance in the Lottery
Refreshments for 2 adults
Light supper and entertainment for the kids
Music.

After 3 p.m. February 2 you will NOT be able to buy a Full Ticket,
only a Party Ticket.

(8) BUYING A TICKET?

The easiest method is to complete both halves of the enclosed ticket.
Send half to us in the enclosed envelope with a cheque payable to

Holimont Racing Club

\$15.00 U.S. or \$17.50 Canadian

We will return cheques that don't get to us by February 2. On the
back of the half you send to us please indicate number of children
you expect to bring.

Tickets will be sold in the Club House Chalet --

January 20, 26, 27
February 2 (to 3 p.m.)

on a cash or cheque basis.

CHANGES TO BE INSTITUTED THIS YEAR

We plan to change the format of Jet Set Night by making it more of an after-
ski party and less of a very-noisy-lottery. Most of the drawing will be
done quietly in a back room. Winning numbers, together with winner's name
and donor will be posted. The regular breaks taken by the music makers will
be used to draw winning numbers for the biggest prizes.

If you are planning to go to dinner somewhere - we expect the last number
to be drawn about 8:30 p.m. and the music to stop at 9.00 p.m.

After 3:00 p.m. NO Full Tickets sold -- only Party Tickets.

JUNIOR MEMBERS

Meeting for all Junior Members, Saturday Night, February 9, 1980 at 3:30 p.m. in the RACING CENTER. The purpose of the meeting is to discuss the Junior Membership program. Since proposals are going to be made to the executive board concerning certain aspects of the junior program, all junior members should be present.

HOLIMONT RACING NEWS - Betsy Munro

Despite these past few snowless weeks, the racing program has continued, thanks to our "Master Snowmaker", Scotty. We've heard that we at Holimont have the best snow conditions in the "East". The coaches, racers, and organizers send a big "Thank You" to Scotty.

The Holimont kids have enjoyed Saturday practices and local competitions. Races have had to be cancelled or re-scheduled almost every week (except Holimont). Please be understanding of these last minute changes. Everyone is working to make them possible, and if you feel a little confused as to just where and when they are to be held, hang in there, because even we are confused.

I will be phoning in entries for the III & IV group traveling team. The racers should send in a voucher, but take their entry fee of \$7.00 the day of the race. This is not the usual procedure, and in the years when the weather is not posing a problem each racer is expected to send a voucher plus the entry fee for the race to the designated chairman. We want to encourage the youngest of our racers to get used to doing this without the help of the coaches or parents, but this year we must all work together just to try and outsmart the weather.

In the I & II Group, David Elliott placed 23rd in the Races at Whiteface, while Rob Kellock placed a respectable 30th. Cindy Evans placed 8th, and Doug Matteson placed 32nd. Several racers are off to the Empire Mid-season races at Greek Peak, and I will publish the results in the next Holileaf.

In the III & IV traveling team we have had some excellent results. Kissing Bridge Slalom races, Don Kellock placed third in the III's and Brad Smith was second in the IV's. Holimont hosted a Giant Slalom where Don Kellock was second in the III's, Sue Evans was second for the girls. Julie Kellock was second in the IV's. This race was chaired by Joyce and Evan Evans (busy aren't they?). We have 121 entrants and ran 3 races to give us the grand total of 363 runs down Snowbird. The usual Holimont racing parents worked from 8 a.m. to 4 p.m. to complete this feat and I think you were all SUPER. THANK YOU ALL!

We are still optimistic that our plans to hold the 1980 N.Y. Championship Race, Feb. 23, 24, will not falter, again due to the weather. We are still looking for billeting accomodation, so if you can house a couple of these great little people, see Alan or Ann Ryan. We will need lots of help the day of the races. If you can spare a little time, please see CLARKE and BETSY MUNRO or BILL and DEE SMITH. We look forward to making it a great weekend for our kids.

OPERATIONS - Ed Anderson

The snow has arrived! With good snow conditions we naturally have more members and guests using our facilities. So as to insure a minimum of delay in getting onto the hill, minimize pass abuse, and not over load our office operations we ask for your cooperation in the following:

1. The ticket office is designed for sale of lift tickets and taking of guest reservations. Do not use the office or persons working in the office for the making of reservations or selling of tickets for other activities, or for relaying personnel messages.
2. Persons not directly associated with office operations should not enter the office. The office telephone should be utilized for club business only, a public telephone has been installed adjacent to the office for other phone calls.
3. Display your lift pass prominently. The lift operators have been instructed to not let anyone use the lifts without a valid lift pass or lift ticket being displayed.

HILL CONTROL - Mike McCulloch

- H** Hail! Hail! Thank heavens it's white again.
- I** It's time to PREVENT and be SAFE.
- L** Look for location of the official rules and regulations of the State of New York, near
1. Restrooms
 2. Ticket Office
 3. Adjacent to both front EXITS/ENTRANCES
- L** Loud speakers in Chalet to repeat "PLEASE PLACE SKIS VERTICAL IN RACKS" at coffee and lunch breaks.
- C** Could and would all members be responsible for their own and their guests skis to be "RACKED" at lunch and ski breaks.
- O** Onto the "guys and gals" who wear the Ski-safely arm bands who may reluctantly who may "rack" the horizontally left skis elsewhere.
- N** No. 2 Ski-safely Rule: "Do not jump at intersections or in any areas in which a collision with another skier could take place."
- T** To make a point: Jan. 26, 1980, R.L. (Jr. Member) came close to wiping out N.B. (Sr. Member) after jumping off the Jump at Exhibition midstation. (Where skiers pause before the final descent.)

HOUSE A CHAMPION - Ann and Alan Ryan

Let's show some Holimont spirit ! We need your help !
Many people have already offered to billet the racers. We have your names but are unable to assign specific racers at this time. We will not know the entries until the week prior to the race. We will then be contacting you by mail or phone with more specifics. Pick-up time is Friday, February 22, 7-10 p.m., at the Main Chalet. Since these kids are serious about their racing, we would appreciate your claiming your guests as early as possible.

Basically your responsibilities would be Saturday meals (breakfast and dinner) and Sunday morning breakfast. As far as entertaining the kids, they are not too interested in evening functions. They are here strictly to race.

THANK YOU FOR YOUR HELP!

1980 JET SET FOLLOW-UP:

This fund raising party and lottery-type evening was financial successful because of the generous support of merchants, members, parents of racers, and friends of Holimont. This year we were better organized and the experiment with the party was well received. Judy Elliott and Marge Blackborow organized the food. Tom & Mudite Learie fed about 200 children. Glenna Ritchie, Ruth Ann Pepall and Betsy Knowles recorded the gifts all day and were instrumental in the draw. A large number of people helped in ticket sales, checking in for the party, controlling the gate and running the bar and the movie. We are grateful for the help of Kelly Ritchie, Judy and Trevor Born, Bill, Joan, and Kris Weir, Bonnie and Mark McAllister, Jean Richardson, Lisa Colls, Margo Allen, Mike and Moragh Colls, Ann & Mike McCulloch, Bill Bell, George Golebowski, Charlie and Carol Crist, Sandra and Chris Allan, Ross de St. Croix, Ursual & Harry Pelissero, Bill Watson, Joyce & Evan Evans, Ollie Hazard, Bill Knowles, Gary Elliott, Bob Lush, Frank Lesefski.

Jet Set also attributes its success to the generous donations of gifts of all sorts. In this context we are especially grateful to John Ryan, who gave the big prize, and David Lee who played the piano during the party, and Ron Weston who ran the final part of the draw. First prize, accomodations for a week at Mont St. Ann in Quebec, was won by Ruth Ann Pepall.

The following merchants and families donated gifts. We hope you will support the merchants and pass on a word of thanks to both. (*indicates merchant)

TAKE NOTICE

SERIOUS BODILY INJURIES HAVE OCCURRED RECENTLY - ACCIDENTS THAT WERE PREVENTABLE.
WHY? IRRESPONSIBILITY. THAT'S WHY. FOR WHICH THERE ARE NO EXCUSES.

Some innocent and unsuspecting people were seriously injured by acts of this irresponsibility and uncontrolled skiing. Take the recent example of young Doug Ferrick who was mowed down by a skier who, would you believe, was actually in mid air off a jump, and Doug subsequently thrown into a tree head first. Is this controlled skiing? AND THERE ARE MORE STORIES LIKE THIS ONE. Parents! You are responsible for your children and they must know the rules so that they too can exercise their responsibility. Holimont Members! Our guests must be made aware of the Club Safety Rules, so will you please inform them. Remember, Barbara Lavtar has the sheets with the Hill Map and Safety Rules at the Ticket Office. It doesn't hurt to refresh our memories from time to time about the safety rules, but non-adherence can certainly cause accidents and personal injury and that hurts.

Another example of an unnecessary incident and potential severe accident: two recent cases of runaway guest skis. The young man that I personally stopped looked at me with some surprise and said "I didn't know that safety straps or brakes were necessary." Perhaps if we as members could take a little extra time and check out this potential problem when we have guests down. The lifting of Lift or Guest Passes is certainly not something we enjoy, but at certain times it has to be done. When members see other members or guests allowing the T-Bar to swing dangerously once released, please remind them! Thank you. Mike McCulloch

SKI PATROL - Ann Church

Results of the Ski-a-thon held Feb. 9 & 10.

The Holimont Ski Patrol wishes to thank all 35 participants and sponsors who helped to make the ski-a-thon weekend an overwhelming success. A total of \$448.25 was collected from pledges. Prizes were awarded to those who brought in the most donations. Top run-maker and collector was Jeanne Golebowski who made 66 runs and collected \$90.85, congratulations to this energetic, charitable young lady! Other prizes were given to Carolyn Crist, Erika Knowles, Bryan Crawford, Tom Rogan, and David Crawford. Proceeds of the ski-a-thon will be donated to the Olympic Committee and the National Ski Patrol. Anyone still wishing to turn in pledge money may do so by giving it to any Holimont Ski Patroller.

(Watch for our annual toboggan race some sunny March day!)

SAFETY REMINDER: Avoid Skier Collisions by:

1. Skiing under control to avoid other skiers or objects.
2. Not stopping in a location which obstructs others views or passage.
3. Checking for approaching downhill skiers when entering a trail or slope.
4. Passing on the right a skier approaching in an opposite traverse.
5. Checking for approaching skiers before starting to ski.

SAFETY REMINDERS: 1.All skiers must put down safety bar when riding the chair.
2.Report an accident to any lift attendant.

DEADLINE FOR THE NEXT HOLILEAF: March 21st.

Holi-friendship is sharing your lunch with a new member.

WELCOME!

HOLIMONT RACING NEWS - Betsy Munro

Holimont kids have been very successful racing this year. The coaches, in particular, Warren Wilkinson and Cam Watson, deserve our congratulations along with their winners.

In the I-II Group (age 14 & over), we have had 10 racers competing in the Empire Cup Series. Two of these racers, David Elliott and Rob Kellock qualified for the Trophy Series last year and have been competing all season in these races. In the Mid-season Empire race, Heather Malcolmson placed 3rd in GS qualifying her for the Trophy Series. Five racers are off to Bristol Mt. with hopes of qualifying, allowing them to compete in the Trophy Cup Finals at Whiteface, March 8-9. Rob Kellock will compete at Burke Mt. Vermont, for the Jr. I Championship.

Several Holimont racers have been training at Holiday Valley this year. In the 14-15 age group, Cindy Evans and Doug Matteson have a place on the 1980 N.Y. State II Team. Also Wayne Wilkinson, in his second year of training at the Whiteface Training Center, is a member of this team. Congratulations!

In the III-IV Group (age 11-13), the traveling team from Holimont saw 26 youngsters competing in local races in order to qualify for the Niagara Frontier Team. Seven of our kids qualified: Laura Blew, Mary Elliott, Lana Paron, Don Kellock, Brad and Matt Smith, and Wally Wright. Sue Evans and Dan Matteson also made this team, (they train at Holiday Valley). These racers traveled to Rochester for a weekend of competition in order to qualify for the N.Y. State III-IV Championship. Under the protective wings of Mrs. Paron and Warren Wilkinson, they returned triumphant with all the girls and Brad Smith, Don Kellock and Dan Matteson holding out for the boys. The "Big Race" finally came to Holimont on Feb. 23, 24. Friday night 103 competitors arrived from all over the state. Our year of preparation paid off. If you were a spectator to any of the five races held in the Plum Creek area or on Fall Line, you just had to be impressed with the caliber of skiing. The best two runs, determined the selection of 23 boys and 13 girls to the 1980 N.Y. team. We are proud of the following Holikids: Lana Paron, Don Kellock, and Dan Matteson.

It was a wild and crazy weekend for those of us who worked to make it possible. Perhaps an easy guess of 150 workers (volunteers) would help to put it in the right perspective. It was a superb effort and we can only send out the biggest "THANK YOU" to all of Holimont.

Dan Matteson, because of his high placement is an automatic to the Eastern Championships in March. Lana and Don are off this weekend to the Eastern qualifiers at Pico, Vt. (NEWS FLASH: Congratulations to Lana Paron. She will be going to the Eastern Championships at Waterville Valley, NH.)

Meanwhile, 45 Pee Wee racers have been burning up the slopes during their weekend practices. Their first competition was held at Holimont and Holiday Valley on March 1st and 2nd. The following Pee Wees have been named to the division team and will compete at Kissing Bridge on Sunday, March 9th: Julie Munro, Kara Pitkin, Julie Ritchie, Julie Kellock, Barbara Blew, Sarah Malcolmson, Jon Weir, John Swanson, Dean de St. Croix, Scott Olson, Andrew Field, Ross de St. Croix Tom Rogan, Doug Ferrick, Pat Fitzsimons, Stuart Ainsley, John Strang, Dana Lesefske, Russell Knowles, Rusty Bell, Paul Traver. John Lush is first alternate. Congratulations and good luck to all these Holikids!

There you have a summary of the action in the racing quarters. It is still underway, but you can see how hard these kids work on their weekends. They do enjoy these competitions, and therein is the secret to their success. A Holimont salute to all participants!

HOLINOTES:

Thank you Holimonters for being so hospitable to our III-IV racers, parents, and coaches. The race weekend was very successful.....Have you seen the Pied Piper, Powder Hound, and Tag-along? They seemed to have found lots of fresh powder, but weren't telling anyone.....The Ground Hog appeared as scheduled...take heart ladies, we have our own "Foxy Lady" Day, watch for the 2nd annual one next season.....It was nice seeing John and Beth McHugh at a recent cocktail party, so be such strangers, we always enjoy seeing you both....The first weekend in March we had the best ski conditions of the year, and to join us on the slopes were Bill and Elsie Butler from Killington. They said we had more snow and better conditions than Vermont, it was great seeing them. Won't they be surprised when Holimont rents a bus and visits them.....March brings the warm, sunny days and the usual frivolity, wonder if there will be another toboggan race this year, how about it Charley, Chuck, and Evan? Thank you Harry and Ursula for a great job on the carnival.

REPORT OF THE 1980 HOLIMPIAD WINTER CARNIVAL - Harry and Ursula Pelissero

Winter Carnival was held on February 16 & 17th, and for a change the weather was on our side. There was plenty of sun and snow for everyone.

Carnival started Saturday morning with the crowning of MISS HOLIMONT 1980. This years queen was Dee Allan. Her duties for the weekend included: lighting the eternal flame, throwing candies at the candy race, judging the costume parade, presenting medals to the winners and helping out where ever she could.

Closing Comments: Where do we start to thank everyone that made this years carnival a success: Let's start and see if we can name them all: Bill & Betsy Knowles, Bob & Joyce Misner, Jack Finnigan (a guest), Anne Linderme, Dee Allan, Dick Ferrick, Warren & Glenna Ritchie, Dave & Helen Robb, John & Cathy Holden, Bruce & Molly Yearham, Ollie & Marcie Hazard, Barney & Sybil Matteson, Evan & Joyce Evans, Bill & Joan Weir, Ken Friedman, Paul Cannon, George and Saundra Allan, Scotty & his crew, Dave & Carol Pitkin, Pat & Gerry Grassi, Charlie Crist, George Golebowski, Don Cutler, George & Gloria Megarry, Bill & Dee Smith, Alan & Irene DeCosta. If we have forgotten anyone we're sorry, but to these and everyone who helped a big thank you. Without you we couldn't have done it. Once again thanks!

Preview of things to come: Next year's theme Holimont Goes Western?????

MORE HOLINOTES:

Ross Se St. Croix donated the entire proceeds of the sale of "Official" Ground Hog Day pins to the Holimont Ski Patrol. Your Directors continually receive letters thanking and commending our fine Ski Patrol.....another subject: SNOW!.....rather than take it for granted, get on down to Holimont, bring your friends who may not have had a chance to enjoy our Club, and ski on Western New York's finest slopes. While some other areas may have limited skiing, we look forward to some of this season's best skiing during March and April. Come on, bring your friends.....they say Mid-week skiing offers some special mystique.....

JUNIOR MEMBERSHIP - Membership Committee

After the intense discussion on the subject of Junior Membership at the last Annual Membership Meeting, The Board of Directors received a great deal of input on the matter from a large number of Junior and Active members alike. Several open meetings were held specifically to provide the members the opportunity to give direction and to discuss the subject openly. A Study Committee was appointed by your President. For a good part of the past year it studied the Holimont Junior Membership Program, its objectives, costs, privileges, how it got started, where it's going, its limitations, and how the program can be up dated and improved.

The Junior Membership Program was on the agenda of many of the Directors' meetings. Finally, after considering all of the input, the Committee made it's recommendations, and the Directors made the following resolutions: (The Club By Laws provide for flexibility from year to year)
Junior Members will be assessed for Capital expenditures and for Operating expenditures as paid by Active Members. Such assessments would be incorporated into a formula to develop the annual cost of Junior Membership. The Initiation Fee for Junior Members who join after July 1, 1980 will be \$2,500.00. The breakdown of annual cost to Junior Members effective July 1, 1980 is as follows:

<u>AGE</u>	<u>DUES AND ASSESSMENTS</u>	<u>INITIATION FEE</u>	<u>TOTAL</u>
24 and under	\$170.00	\$250.00	\$420.00
25 thru 29	200.00	400.00	600.00
30 thru 33	230.00	500.00	730.00

As in the past, any remaining unpaid Initiation Fee at the time the Junior Member ascends to Active Membership Status will be charged. These annual costs apply after July 1, 1980.

The Board of Directors is still studying several items including the top age limit for Junior Members, two Junior Members marrying each other, (it has already happened).

The Board of Directors has also reinforced its stand regarding the abuse of membership pass privileges and the penalties for late payment and non payment of dues by Junior Members. Junior Members will receive the same treatment as active members.

The By Laws amendment which was tabled at the last annual Members' Meeting will be again presented for membership approval.

Just as on every other matter of Club business, your Directors have appreciated all of the input from members and have spent many long hours trying to produce a membership arrangement which is fair and workable.

SOCIAL: Barney and Sybil Matteson

The Social Committee this year has decided to try a different format for Octoberfest. We are planning not to have a dinner with the festivities as usual, but are going to enjoy music and libations immediately following the annual meeting. The band will be playing the usual music and beverages will be available. There will be small admission charge of \$2.00 adult(18 and over) \$1.00 Children. Although there are some disadvantages to this format, we feel the sociability will still be present and perhaps it will give us the opportunity to mix into the town affairs a bit more. (Schedule of Fall Festival events to follow.) We look forward to seeing everyone again after the summer.

FALL FESTIVAL 1980:

John and Elaine Northrup and committee have planned a very eventful weekend. On Friday night at the 1887 Building will be the check in for the ski swap and the sale will be Sat. and Sun. 10 - 8 and 10 - 5. The Antique show will be held as usual in the gym of the 1887 Building with the Art show on the Court House lawn. On Saturday morning beginning at 9:30 will be the Fun Run of 1 1/4 miles and at 10:00 the 5 mile race, both starting at Holiday Valley and ending in front of the Crystal Palace. The Firematics competition is Saturday at 1:00 with the auction following at the Village Square. There will be a golf and tennis tournament weather permitting. Most of the local restaurants are planning some kind of entertainment that weekend. These are just a few of the plans that have been scheduled for the weekend, and as time progresses there will no doubt be more events added.

REPORT FROM THE MAYOR: Ednah Northrup

The Ellicottville Park Project is becoming a reality. Two tennis courts are now finished and ready for play. Lights are installed and will be ready by September 1. The basketball court is also now near completion. The ice skating rink is being worked on and lights are installed. We have learned a few things about making ice, so if the weather cooperates there will be ice skating. This project has been funded by donations of money and work. Donations and fund raising projects are greatly appreciated. The Ellicottville Chamber of Commerce has underwritten this project so please send your donations to Ellicottville Chamber of Commerce.

We thank all of you who have donated to this project. We appreciate your effort and your continued support. We're also certain you'll enjoy these facilities all year long when you and your families come to Ellicottville.

HOLINOTES:

Hope everyone is enjoying this nice hot summer, the editors have enjoyed seeing various members who have stopped into see us....looking forward to seeing everyone at Octoberfest. We saw Bill and Elsie Butler, they're looking great, we sure do miss them.... Bill says he'll come back this winter if he can kiss all the ladies, and of course Elsie will definitely come back if she can kiss all the men. Belated congratulations to Ollie Hazard and family who received the Boating Family of the year Award.....understand they had a very unique day of sailing this past summer.....we welcome Adam Ryan Pelissero to the Holimont Family....get well wishes are sent to Kevin Maloney.

SUMMER IN ELLICOTTVILLE:

Beginning with the Memorial Day Weekend with the opening of the Holiday Valley pool, the various tennis courts in town, plus Pig and Lamb roasts, Ellicottville has been a hub of activity. On July 5th at the base of Yodeler slope at the Valley, the Buffalo Philharmonic delighted an audience of approximately 2,000 people. The highlight of the concert was Tschaikovsky's "1812 Overture" with live charges simulating the cannons. This venture was very successful and will no doubt become an annual event. That same afternoon the Ellicottville Historical Society held a Strawberry Festival and there was also a Flea Market.

July 22, 23, and 24 saw "Fools Company" in town for a theatrical workshop in mime and pantomime for children of all ages.

On August 3rd, Jud Strunk entertained a good crowd with his stories and banjo playing at the Ellicottville Depot.

The Tourism and Recreation Division of the Chamber of Commerce has planned to "Bury Ol' Man Summer" on Labor Day Weekend with a golf tournament and chair lift rides at the Valley, mixed doubles tennis tournament at Edelweiss Lodge (\$5 fee); a Lamb Roast at the Silver Fox on Monday, 9/1, also they will have their usual champagne brunch on Sunday 8/31; and the Crystal Palace will have a brunch on Monday 9/1. Holiday Haus will show movies in the gym of the 1887 Building at various times throughout the weekend. The Tourism and Recreation group will have a chicken barbecue on Sunday from 12 to 3 with musical entertainment and surrey rides sponsored by the Bar S Ranch. All proceeds will help further the efforts of this group in providing excellent recreation facilities in the town of Ellicottville.

Did you know that you can go on a one or two hour trail ride followed by a lovely lunch or dinner? Did you know you can roller skate every Wednesday on Jefferson Street from 6 to 8 pm? then follow the skate van to a local establishment for some Roller Disco? Did you know that you can go out to dinner every night of the week and not go to the same restaurant twice? Did you know that you missed Ella Fitzgerald, the Kingston Trio, Sarah Vaughan, "Fiddler on the Roof", and much more at Chautauqua? The post-season Saturday night special on August 30th brings Helen Reddy to Chautauqua. Did you know that Ellicottville has a Physical Fitness Center with Nautilus Equipment? Memberships are available. Did you know that this editor's typing is very rusty after several weeks of vegetating in the sun?

In addition to all of the activities we have mentioned above, there are two other major activities which are taking place, or should we say - available - all year long on a purely volunteer basis. The Ellicottville Volunteer Fire Department has just purchased a 4-wheel drive piece of fire apparatus which will help the Fire Department Volunteers reach and extinguish fires in hard-to-get-at locations. The initial cost of the unit was over \$35,000 and is being met by contributions. Also, The Ellicottville Ambulance Service has two well equipped emergency vehicles which are always on call. The volunteer staff is fully trained in first aid and other prescribed emergency services in addition to the actual transportation to local Hospitals.

MOTORCYCLES AND MOTORBIKES

MOTORCYCLES AND MOTORBIKES ARE PROHIBITED ON HOLIMONT SKI SLOPES AND ALL OTHER CLUB PROPERTY UNLESS SPECIFICALLY FOR THE PRUPOSE IN NECESSARY TRANSPORTATION.

CASUAL OR RECREATIONAL USE OF THESE OR ANY OTHER TYPE OF MOTORIZED BICYCLE OR SNOWMOBILE IS NOT ALLOWED

YOUR DIRECTORS ADOPTED THIS REGULATION IN ORDER TO HELP PRESERVE THE QUALITY OF THE **SKI SLOPES**, REDUCE UNNECESSARY NOISE, AND REDUCE THE CHANCE OF ACCIDENT AND/OR INJURY FOR WHICH THE CLUB COULD BE HELD LIABLE.

HOLINOTES CONTINUED:

Scotty and crew working very hard to complete the new lift....the hill looks great. How many third generation Holimonters do we have? Hilgers, Lynn, W. Maloney, any others? Lake Erie has seen some of Holimonts crack sailors, Swanson, Wilday, Cutler, Matteson, Oak competed in the Lake Erie District Lightning Championships. Dan Matteson spent an exciting week at Squaw Valley training with the US Ski team coaches....understand Dan was lost for words when he rode up the lift with Cindy Nelson.....it is not too late to start training for either the Fun Run or the 5 Mile run Octoberfest weekend..who will be the winner this year? Congratulations to Cindy Oak who was named to the Women's US Alpine Team, she is now in New Zealand. While on a recent trip to Toronto we ran into Saundra and young Chris Allan and also Tom Learie...sure is nice to see familiar faces when you least expect it. Understand Dave Tompkins is doing some water skiing competition.

SOCIAL - Sybil and Barney Matteson

Oktoberfest is coming! The new format for this event will perhaps give us an opportunity to mix into the events scheduled in town. The festivities will begin right after the Annual Meeting, which begins at 2 o'clock. The band will be playing the usual music, and beverages will be available. There will be an admission charge of \$2.00 adult (18 and over) and \$1.00 for children. This is a great time to renew our winter acquaintances and meet the new members..... so come and enjoy the spirit of Holimont on Saturday, October 11th.

FALL FESTIVAL 1980:

This year's committee has planned another great fall weekend. Several local establishments are planning on having bands for your listening and dancing pleasure. There will be the usual Antique Show and Art Show plus the Fun Run and Five mile Run. The ski stores will have on display the latest in ski equipment and clothing. There will also be a golf tournament and tennis tournament. The Ski Patrol will have their sausage stand to delight everyone. These are just a few of the events scheduled.

HILL CONTROL - Mike McCulloch

A new season is fast approaching and if we are believers in the Almanac and the "cycle", then we are in for a BANG-UP WINTER.

As in the past the key word is PREVENTION: and the way to prevent trouble is to BE CAREFUL; and to be careful is to be RESPONSIBLE, both for yourself and to others. It is the duty of each Holimont family to discuss the problems of irresponsible skiing and its consequences. It is also the responsibility of each Holimont member to make Guests aware of the rules and regulations at Holimont to ensure safer and more enjoyable skiing for all.

I have recently sent out a request for volunteers for the Hill Control Committee hoping that the recipients will agree to re-volunteer their help and support to act on this roving committee. This group is made up of the guys and gals who wear the arm bands, who from time to time check the lift lines, check passes, report incidences, etc.; just members who care about the safety of their families and others, and are willing to help promote safe skiing at Holimont using the positive approach. These volunteer members do not act as police officers or marshalls, but are there to encourage Holimont skiers to be knowledgeable and responsible for making our club a fun and safe place to ski.

If there are any of you who would like to offer your services, I would appreciate hearing from you at my home address (58 Howard Ave. Oakville, Ontario L6J3Y5). Looking forward to seeing you all in the new season. Please support my committee and your club by giving what help you can.

REMEMBER...OKTOBERFEST, OCTOBER 11, immediately following the Annual Member's Meeting.

THIS IS HOLIMONT! JOHN MCHUGHFrom a 1964 HOLILEAF !!!!

Holimont Incorporated is a private club with proposed facilities for swimming, skating and skiing. It is situated on 250 acres of land on the edge of Ellicottville, New York on Route 242. It was begun in 1962 by Wilber Merk, a former member and director of the Ellicottville Ski Club. Its purpose is to provide first class family skiing on slopes and trails designed to give satisfaction to all classes of skier - without the crowding and lift lines that are the curse of the public ski areas. Membership will necessarily be limited to accomplish this.

The facilities were designed and laid out by Otto Schniebs, who is probably the foremost and most experienced designer of ski developments in the country. It is situated in the southern snow belt which gets regularly in excess of 185 inches of snow each year.

Holimont began operation in the winter of 63 - 64 with a Hall double chair lift, and the latest snow conditioning equipment, including a brand new Tucker Sno-Cat. Full scale operation will begin in late 64 when a Hall T-Bar will also be in operation. The total uphill capacity will then be 2350 skiers per hour.

The lifts are approximately a half mile in length with a vertical rise of 550 feet to an elevation of 2,350 feet. There are eight slopes and trails, all graded, groomed, seeded and drained for maximum safety and utility. Two cross connecting trails provide for transitional skiing. The longest trail is one mile and an eighth.

Membership is by invitation only, with a membership fee of \$ 1,000. It is therefore a membership corporation (no member has more than one vote), operated by a Board of Directors elected by the membership. Our membership which is now approaching 150 includes families from Ohio, Pennsylvania, Ontario Canada as well as New York.

Members and immediate family pay no lift fees. It is expected that guest fees will substantially cover operating costs so that annual dues will be nominal, probably not much more than a family would spend on a weekend at a public area.

For those members who are interested there will be 250 ski-chalet sites available on the development, adjacent to the slopes. A portion of this phase of Holimont is already developed, with roads and utilities available. At the present time seven chalets are in various stages of completion.

If you are tired of fighting lift lines.. If you are tired of skiing poorly maintained, over-skied and crowded slopes.. If you are tired of paying exorbitant prices to ski..If you are tired of skiing with strangers....and miss the fellowship and 'gemuetlichkeit' that was skiing..If you enjoy congenial, friendly people and good singing You should be interested in Holimont!

(John is a former Editor of the Holileaf and a valued guest contributor at the present. He is a Honorary Lifetime Member of Holimont, can't imagine Holimont without him. This is the first in a series of history of Holimont, and we hope he will continue to make these outstanding contributions. We wonder if anyone has any of the first 'Leafs? It would be fun to read them!)

We welcome each of as part of our growing number of Junior Members.

Applications for Junior Membership for the 1980-81 season must be received no later than October 1, 1980. Parents of prospective Junior Members MUST have all dues and assessments paid before the application of their son or daughter can be processed..

Prospective Members - Please bear with us for a few months. We are in the process of removing from our list those people who did not respond to our inquiry. Therefore, we cannot tell you your exact position. All prospective members are listed in the order in which their name was originally received by the membership chairman. Because of the large number of people still on the prospective list, no new names will be added until further determined by the Board.

The Waiting List that preceeds the Prospect List is still large. Based on past average turnover, it will be at least two years before the Waiting List is depleted. We will continue to observe the hill, parking and chalet population, and welcome (in writing) any recommendations concerning membership plans.

FROM THE EDITORS' DESK

From the Accountant and the finance committee comes an apology.....Your Dues for this coming season are payable by October 1 and not by Sept. 1 as earlier reported. Any members remaining not paid after October 1 will be subject to late charges just as before. Members remaining unpaid 30 days after October 1 will be subject to expulsion in accordance with the ammended By-Laws. The Board of Directors feels that with the dues statements being mailed in early July each year, approximately 90 days is plenty of time to prepare for your Ski Club Obligations. If you haven't paid your dues yet, please do so by October 1. New members will receive invoices for dues from the Club Accountant within a very short time. Members requesting Temporary Resignation must submit their request in writing to the Board of Directors by November 1.

Several of our Ski Slopes have fallen victim to motorcycle and trail bike riders. The Club has also received complaints from Village Board Members that trail bike riders residing in the "Holimont area" have been trespassing on private property without first obtaining permission. The Holimont Board of Directors is prepared to adopt a "Get Tough" policy in cooperation with Police and Sheriff's Departments in dealing with persons (whether Holimont member or not) who insist on defacing and trespassing on private property on motorcycles or trail bikes. Scotty Iavtar and his Summer Crew have worked miracles getting our slopes in beautiful shape for skiing. We sometimes take it too much for granted when we can enjoy such good skiing even with very little snow. Please inform any Board Member of a name of anyone seen on Holimont Ski Slopes on a motorcycle or Trail Bike. Holimont property is private property and strict measures will be taken in any such instance involving anyone, whether a Club Member, a member of his family, a guest, or even a local resident.

Each and every member is urged to attend the annual members' meeting on Saturday, October 11 at 2:00 PM in the Main Chalet. You will hear Committee reports covering all aspects of our Ski Club, Minutes and financial reports will be read and approved, and lively discussions are generally held. By-Laws amendments involving Junior Membership Status will be presented for approval. Your Volunteer Board of Directors needs and appreciates input, so please plan to attend. If you can't attend, please sign your proxy and send it to any Board Member in order to help guarantee a quorum so we may transact business in accordance with the By-Laws.

The Beautiful colors are beginning to re-appear on the hillsides and we're beginning to wake up to 40° temperature readings in the Ellicottville area. By Fall Festival week end conditions should be ideal to get together again and renew friendships, enjoy the Fall Festival, attend the members' meeting, and just get this whole thing going again.....

As the ski season approaches, many of us are already getting into condition and thinking of new equipment. The Editors have asked Penny and Phil Kirk if they would contribute articles on these subjects, for the benefit of Holimont members.

CONDITIONING: Penny Northrup Kirk

When I was asked to write this article on conditioning, I started recalling all the many different programs I personally was involved with. What I came up with is a realization that the most beneficial program is one that strongly emphasizes not only strength building but even more important, flexibility. During my career as a competitive ski racer I was very aware that my performance was always much better when I was my most limber. Skiing itself will build and tone muscles but it keeps them in a very contracted state, therefore it is extremely important to keep your muscles flexing over the complete range of motion. I also feel that in the fall when everyone heads out to "get in shape for skiing" they would be well advised to start each program with at least 20 minutes of stretching and end with the same. This will greatly reduce the chance of injury and also keep the balance between muscle development and flexibility. I highly recommend buying a book on yoga stretching and following a basic program. Make sure that you stretch all parts of your body and not just the typical "toe touch". The reason for recommending a yoga type routine is that there is an emphasis on controlled breathing and concentration during each position. This so often is overlooked with young competitors, as well as most adults. Skiing by nature is rhythmic. Every move one makes is the beginning of the one after, the line between the end of one turn and the start of the next, particularly in competition is barely discernable if at all. If in a conditioning program one becomes aware of the rhythm of breathing and moving it will develop one's awareness of what happens when they start down the hill.

(Penny was a former US Ski Team Member, and now resides back in her hometown of Ellicottville.)

EQUIPMENT: Phil Kirk

The sport of ski racing requires concentration, balance, agility, strength, flexibility, and endurance. Any equipment which hampers any of these functions will result in less than optimal performance, and will increase the risk of injury. Keeping this in mind here are some helpful hints when you and your young ski racer choose their equipment.

Boots- If I were to rate equipment in order of importance, first and foremost would be ski boots. Without proper fit, flex, and cant, optimal performance will certainly be restricted. It has been my experience that young racers, especially in the III's & IV's class tend to choose boots that are too stiff and too high. A young racer generally does not need a world cup level racing boot. Remember that these boots are designed for the musculo-skeletal structure of the adult and the strength of a finely conditioned world class athlete. They may be too stiff to flex properly and too high for the leg of the growing young racer. Ask the advice of a qualified sales person at a reputable ski shop when choosing boots, and keep the following things in mind:

Makes sure that the boots fit snugly around the entire foot, that there are no pressure points, and that there is room for toe movement. (Try on both boots).

Make sure that the young racer is able to flex the ankle and knee properly and that there are no pressure points when in the flexed and edged position.

Make Sure that the boots do not put the racer in an exaggerated position. (causing undue muscle tension and fatigue).

Make sure that when the racer is standing in what he believes is a balanced, neutral position that the soles of both boots are flat on the floor and that the knees are centered and in line with the feet.

Choosing boots is a time consuming process, but it is well worth the time spent. (Next Leaf, Skis.)

(Phil was a Racer-Rep. for K-2 Skis and former Executive with Moog and Molnar.)

MESSAGE FROM THE PRESIDENT:

We are approaching another ski season at Holimont, and this year new adventures await you. A new chair has been installed and is in operation. This means new areas to ski, new trails to explore, and more fun for all.

It is my wish to get Holimont news to you from time to time in order to keep you abreast of all the happenings. I would urge all of you as Holimont members to contact me on any and all criticisms that maybe bothering you. I can not promise to correct them all, as that would be a fool's promise. I can assure you they will get my utmost attention. This is your club and your interest, and it is the Board of Director's intention to keep it that way. So I urge you to help.

Have a great skiing season, and I hope to see you on the slopes.

Mike Francesco

INTRODUCING THE NEW OFFICERS AND DIRECTORS:

Prior to the annual members' meeting, the Board of Directors received notice from Director George Allan of his resignation from the Board because of new and changing personal business pressures. George has accepted a new sales management position which will cause him to be away much of the time and therefore, he would be unable to continue to serve Holimont as a member of the Board of Directors.

The Board reluctantly, but with understanding, accepted his resignation. Among his many assignments, George headed up the forward planning committee and area improvement committee. As we have grown over the years, we (Holimont) added to our main Chalet and other necessary buildings keeping within tight budget controls and often taking advantage of design and engineering talent of many members of the Club. George energetically continued that same theory of growth and area development and began to reflect uniformity in design concepts, construction materials, color schemes, and landscaping. As needs arise, and as funds become available, the Directors have generally agreed to continue the same concepts so as to keep our property attractive and uniform in design. We extend congratulations to George Allan and thank him for his influence and leadership.

The Nominating Committee came forward with the name of Don Richardson to fill the unexpired term of George Allen and the Board then, in accordance with the By-Laws, appointed Don as a new Holimont Director. Don has had a great deal of experience in the mechanical aspects of the club's facilities and has shown considerable willingness to serve the club as a Director. Congratulations and welcome Don!

Deciding not to run for another term as Director was Dick Turner, an early Holimont member who owns his own business in Jamestown, N. Y. Dick served on a number of committees, acted as liaison with the Ski Patrol, and contributed important input to finance and administrative matters of the Club. Thank you Dick!

DEADLINE FOR THE NEXT ISSUE - NOVEMBER 23, 1980, CHRISTMAS ISSUE!

OFFICERS AND DIRECTORS - CONTINUED

Also deciding not to run again was Don Cutler, who has served on the Board before, and has shouldered the responsibility of being Club Engineer. Don has helped design the Plum Creek and Meadow Lift areas and has designed our snow making system. Don's contribution to our club typifies outstanding professional talent necessary to make our ski club such an outstanding facility. Don has agreed to continue as Club Engineer for which we are grateful. Thank you Don!

Bill Smith also elected not to run for another term as Director, however he will continue to serve on the Board of Directors for the forthcoming year ex-officio. We thank and congratulate Bill for many years of energetic service as a Director and as Officer. Bill has worked on nearly all of the committees at one time or another and has always served with great enthusiasm. Thank you Bill!

The Nominating Committee headed by Norm Byrne and Walt Brownell came forward after months of work reviewing qualifications and availability of a number of candidates to replace the directors not able to continue for another term. After studying the geographical make-up and willingness of members to serve as Directors, the following named members were nominated:

Bill Althans, Akron, Ohio. Art Beck, Olean, N. Y. Jack Johnstone, Pittsburgh, Pa.

In addition, Directors Art Hilger and Evan Evans expressed willingness to serve another term and were considered by the nominating Committee and likewise were nominated to serve as Directors.

At the Annual Members' Meeting, the five previously named members were elected. At the Directors' Meeting on the day following, the Nominating Committee presented the following slate of officers and all were elected:

President	Mike Francesco, Rochester, N. Y.
Vice President	Ted Tarbell, Buffalo, N. Y.
Secretary,	Paul Philp, Hamilton, Ontario
Treasurer	Jack Swanson, Buffalo, N. Y.

In a future edition of the Holileaf, we'll present a list of committee chairmen and Board members acting as liaison. Our Club exists as it is today as the result of energetic contributions from members and their families. If you have not been contacted by a committee chairman to serve, please contact Mike Francesco and let him know which activity you would like to take part in. The Social Committee, the House Committee, The Hill Committee, and the Operations Committee are always in need of additional help. Frequently, your contribution to your club takes place while you're actually enjoying yourself at Holimont.

We've welcomed just over 20 new families into the Holimont ski club. One very good way to get to know new people is to volunteer to serve on a committee. Maybe you have some sort of talent which could help our club operate more smoothly, or could provide some entertainment, or could help our club be a safer place to ski. Junior members can take advantage of this opportunity, too.

On October 30, 1980, Norm James and son Colin skied the Meadow Area. They get the award for the first run of the season. There were four souls who skied Exhibition on Sunday, November 3, 1980. Does this mean an early and long season?

SKI SCHOOL: Jack Kramer

This year's Holimont Ski School will still feature Dick Ferrick and his "gentle but firm" on snow instruction, but the Directorship has been passed onto me. The favorite features of past ski schools will remain such as the ever popular Christmas camp, the weekend men's and women's review classes and, of course, the regular ski school classes for all level of skiers. The successful start last season of the weekday (Wed thru Fri) instruction will continue with both private and group instruction available. In the next "Leaf, I will outline the complete program.

NEW (?) FACES AT HOLIMONT:

Introducing:

Jack Kramer: Jack has been a member of the school for the past two seasons and established a weekday instruction program for Holimont last season. Previously, he worked on the "other side of the Hill" for Holiday Valley for three seasons and one season at Ski Wing in Allegany as Technical Director after passing the Full Certified Exam for Eastern Professional Ski Instructors Association in 1976.

Bill McCaughey: Bill has been Director of various ski schools for the past 14 years, and this includes (5) years at Holimont. During that time he has become a Certified Level III Instructor with the Canadian Ski Instructors Association and has completed part of his Level I Coaches Certification.

Sid Barnett: Sid has spent the past six winters in Utah and most recently has been coaching 16 to 20 year olds at Park City.

Dave Matteson: Dave was one of Holimont's outstanding racers. Last year he coached the Pee Wees. He is now completing his Level I Coaches Certification.

Warren Wilkinson: Warren is also a past Holimont racer. He has successfully completed Certification for Level II Instructor and Level II Coach with the Canadian Ski Instructors Association. Last year he had great success as a coach of the Holimont III's and IV's, and the girls ski team at the University of Waterloo.

Greg Weber: Greg has been very active in coaching on the New York State circuit. He had several successful years coaching Holikids.

Mike and Barbara Staniforth: Barb was a former member of the Canadian National Ski Team and Mike coached in the Laurentian area of Quebec. They both will be coaching the Junior level(Pee Wees).

Dave Robb, Jr. and Colin Clarke: Both Colin and Dave are familiar names to Holimonters. They are both certified members of the Canadian Ski Instructors Association. Colin successfully raced for the Ontario A team, and Dave raced for Mohawk College. They will be coaching the adults.

This is part of the instructing and coaching staff for the coming ski season. They, like you, are looking forward to the first snow of the year and the start of another successful year. There are many new programs that will begin this year, with the hope that there "will something for everyone," and that everyone will take advantage of the ski school or racing program.

LADIES - Is there anyone who would be interested in writing a short article for the "Leaf" on the women's viewpoint? Please contact the editors if you are.

HOLIMONT RACING NEWS - Burt Kellock

We welcome a new, but familiar director of the racing program, a former director of the Holimont Ski School, Bill McCaughey. A separate note from Bill together with the application forms for the Christmas Camp and the Season Program is included in this envelope. Like everything else I can think of, the cost of skiing has gone up. However, we believe that the 1980-81 fee schedule is not only reasonable (break it down per hour, per day or even per weekend and you will see) it is much lower than the cost of comparable programs elsewhere. The reason for this is simply the fact that the time required to organize and operate our racing program is given freely by our members. While coaches receive honorariums, such are not regarded as other than tokens of our appreciation. This means, this year, as in the past, that we depend upon the parents of racers to insure the success of the program.

CHOOSING SKIS - Phil Kirk

Choosing skis for the junior racer can become an almost insurmountable task if we allow ourselves to get caught up in the quagmire of technical terminology, designs and product claims. Questions like, should I buy a slalom ski or a giant slalom ski? Does the young racer need a different pair of skis for each event? What about torsion, side cut, side deflection, longitudinal flex, camber, profile, etc? If these things have boggled your mind, here are some helpful suggestions.

The most important thing for young racers to learn in the early stages of ski racing is solid technique, specifically how to carve turns of different radius' at different speeds on different snow conditions and terrain. One pair of good giant slalom type skis of fairly even flex (possibly a bit softer in the tip) should be sufficient. Be sure that the skis are not too stiff for the weight and ability of your young racer. Ski technology has advanced to the point where it is no longer necessary that racing skis be extremely stiff in order to hold in demanding situations. In fact you would be surprised at how soft some of the world cup skiers like their skis. Stay away from radical side cuts, and radical designs. They will not be helpful at this stage of racing. Check to see that the skis you pick out have the same serial number and do in fact match. Also, do not be swayed by cosmetics. Stick to the basics of performance and function at a reasonable price.

All of the major ski manufacturers have excellent skis available for the junior ski racer. When you go out to purchase your racer a pair of skis follow these guidelines and engage the assistance of qualified ski shop personnel. (As a general rule you will get the best assistance at reputable ski specialty shops as opposed to mass merchandisers.)

One final note - make sure that the skis you purchase are flat filed so that the bottoms are absolutely flat, not concave or convex, that the edges are absolutely square, and that the bottoms are impregnated with wax before use.

PEE WEE PEP TALK - Barbie and Mike Staniforth

Now is the time to make sure that skis, boots, bindings and bodies are ready for the coming season - especially bodies! Any sport that combines strength and agility is good. Jogging is also good, and running down ski hills is great! If you are in good shape you will be faster in races.

This years Pee Wee Program will offer: How to prepare your skis properly - base, edges, and waxing. More dual slalom head to head racing. More timed runs in gates. Learn how to start, ski and finish efficiently to improve your times. More meets with other clubs if possible.

THINK SNOW FOR CHRISTMAS CAMP!

OPERATIONS: Ed Anderson

With the chill winds blowing, snow can't be too far off, and with the snow comes another season of great Holi-skiing.

Your membership lift badges will be arriving soon, possibly even before you receive this copy of the Holileaf. As a reminder we would like to repeat a few rules that apply to the usage of the badges.

1. A current picture of yourself should be permanently attached to the badge. The picture should show a clear view of your face but should not be so large as to cover up your name or badge number.
2. Show your badge at all times when using lift facilities. Our lift facilities, especially the Plum Creek, Meadow, and the "J" bar, are readily accessible to the public and we wish to make sure that only authorized persons are utilizing our club facilities.

The planned schedule for operating the club skiing facilities is:

1. Open for weekend skiing prior to December 20, whenever snow conditions permit.
2. Open every day from December 20 through January 4.
3. Open every day, except Tuesday, from January through the remainder of the season.
4. During the weeks of U.S. and Canadian school holidays, the club will not close on Tuesday. The dates of these Tuesdays that the club will be open are February 17 and March 24.

BRING YOUR FRIENDS AND ENJOY YOUR CLUB!

THE BIRTH OF THE 'LEAF - John McHugh

Red Skelton said that there were three signs of old age. The first one was loss of memory, and he could not remember the other two.

I was asked to use my memory and some of the early issues of the Holileaf and extract some material from the beginnings of Holimont that would be of interest to newer members. Keep in mind what Red Skelton said, and I will see what I can do.

How did the Holileaf get started? In the beginning some of the members like Bruce and Irene Stevens, Vince Oxley, Ron Hettich used to go down weekends to show off the place and try to get members. We, who were doing it were hampered because we really did not know the condition of the Club and we were selling an idea and a hope for the future. Dr. Bob Vaughan and I were there one fine Saturday afternoon in August talking with Al Boylan, our man in charge of operations, when Ted Tarbell and Jack Swanson drove over from Holiday Valley in a sporty Triumph, (or something) convertible. We thought, surely they could tell us what was happening, since they were original investors. When we asked them, Jack said: "Hell, we don't know what's happening either!"

After some discussion it was agreed that some sort of bulletin should be sent out to the membership to let them know that Holimont was still alive and making progress. I was elected to do so. The rationale was that if I were to put out a bulletin, then I had a right to ferret out some information.

The first sheet was entitled "Serendipity at Holimont" and was properly named. The second one was entitled "The Holly Leaf" and the headlines read: "Willkommen Zum Stechpalmeblatt...Bienvenue a la Feuille de HouxWelcome to the Holly Leaf" and we were on our way. We soon changed the name to "Holileaf". September, 1964.

SOCIAL - Barney and Sybil Matteson

The Holimont Social Program is getting started with a great deal of enthusiasm for the annual events. The regular apres' ski gatherings with wine and cheese will fall into place in December in accord with ski conditions. Christmas Eve, December 24th, we hope to have our usually large crowd to sing Christmas Carols and join later for hot chocolate and cookies at the Main Chalet. We begin this event at the top of Holihuts.....7:30 with a song in our heart. We are looking for a disc jockey for a teen age bash for Friday, December 26th. Any thoughts on that ...please contact us. New Year's Eve is Wednesday, December 31, with Joan and Bill Weir as chairmen for that event. They have a super committee and have promised us a prime rib dinner, champagne, and dancing to the R&J Express Band. Reservations for that event need to be made very early as we are keeping the price low and have contracted with the caterer for 120 people. All this and fun too, for \$12.50 per person. The dates below are scheduled and we are hoping for more to come:

Jan. 3rd DISCO NIGHT - Judy and Barry Swift & Committee
Jan. 17th ANNUAL SKI PATROL DINNER
Feb. 7th JET SET NIGHT
Feb. 21st & 22nd WINTER CARNIVAL - Betsy and Bill Knowles

The Board of Directors is having a Dixieland Band Night with cocktail party, date to be resolved soon. Why not get your friends together and host a cocktail party at the Main Chalet. We still have some Saturday Nights free and it's a super way to get to know our Holimont members and friends. Contact us for dates and details.

HOLINOTES:

Get out the skis and sharpen those edges cuz the slopes are covered with SNOW! I've heard Scotty yodeling, must be he knows something we don't. Fall festival weekend saw many familiar people in town. The five mile run was a huge success with a couple Holimonters as prize winners....Arlene Weston, and Pat Grassi..... congratulations gals! There were many events that weekend, and a few of us made sure we did everthing. David Arthurs spent the summer at the National Music Camp in Interlochen, Michigan where he was a violinist with the World Youth Symphony Orchestra. Understand we missed some third generation Holimonters....South and Sergeant. Congratulations to David Robb Jr. and Noel who were married on October 24th. Get well wishes to Vicky Allen. Congratulations to Ted and Taffy Tarbell who are proud grandparents....Jim and wife Karen have a new baby boy, TJ. Understand that Europe will not be the same after Rick and Panny Gingrich, and Bud and Jean Oliver were there. Understand Dick and Ginny Walters had a super summer on their sailboat. How many of you have taken up roller skating? Have heard that several ladies in Buffalo and Rochester had tried their skills on the wheels. Maybe they would be interested in the local Roller Disco! For any of you who remember the Harter family, young Nancy was married on October 11th. Catherine Elliott also won a trophy in the recent 5 mile road race!! More than 250 runners competed in the 4th annual event.

HOLIMONT HATS will be available again this year. The dark green baseball hat with the Holimont emblem will sell for \$6.00, with all proceeds to go to the Racing Program. Contact Bill Weir or Bill Knowles.

ADDITIONAL CLASSIFIED:

FOR SALE: Three bedroom townhouse Pine Tree Village, furnished, all appliances, 8 $\frac{1}{2}$ assumable first mortgage; \$32,500. BILL OVERELL. (416) 637-2376 or (716) 699-4401.

HILL CONTROL - Mike McCulloch

If you were present at the Annual Meeting, the following is a review; if not these facts are new: 61 accidents and injuries for last season - our best record to date. We can do better! Accident ratio: guest 65%, member 35%; 55% of the injuries and accidents were after lunch!

I briefly commented on the importance of the pre-ski exercises which are even more important with every passing birthday and they can pay dividends. That little extra stretch, or short walk up the hill on skis, or that dance called the twist; in other words, stretch the muscles and the tendons and warm-up the tissues before getting in your car to go to the hill or getting on the lift in the morning. A little time spent in exercising before you ski could save endless hours of grief and disappointment when something happens to you that should not have happened.

If there is any member who would like to volunteer as a member of the Hill Control Committee, I would appreciate hearing from you by mail, or when you see me over Christmas week.

Let's have a happy, fun, and safe ski season. The big word is PREVENTION!

HOLIMONT RACING SECTION - Bill McCaughey

In opening may I say that it is a pleasure to again be a part of Holimont, my family and I look forward to renewing old acquaintances and meeting the many new members.

After being a Ski School director for the past fourteen years, I am looking forward to this new challenge of handling a racing program. While reviewing the records of the racing section, one realizes the great amount of time and effort so many people have dedicated to the club, making it the success it has become.

Briefly some of my thoughts on a racing program are as follows: racing can and should be fun, all of our time will not be spent "running gates". We will be spending part of our time free skiing with a purpose, to improve our student's techniques, so that whatever challenge awaits them they will be able to handle it.

This racing program is an excellent opportunity for every youngster to learn to ski under the watchful eye of our experienced coaching staff. The learning experience and the competition will be a source of long lasting satisfaction. As well, it will direct the competitor's drive into character-building activities.

New this year will be an adult racing program which will be on Sundays at 10 A.M. to 12. Already many people have shown an interest in this program, so start getting yourself in shape for these Sunday A.M. sessions. Open to all ages of adults female and male. So sign up now, to be sure that you are part of the action, why should the kids have all the fun?

CHRISTMAS RACING PROGRAM

December 27, 28, 29, 30 Juniors and Adults \$60.00.

SEASONAL RACING PROGRAM

Juniors (PeeWees, I, II, III, IV and Adults) \$65.00.

(716) 699-4668

MESSAGE FROM THE PRESIDENT - MIKE FRANCESCO

Snow, Snow, Snow, and if the Good Lord will provide us with some, we'll be very grateful, but just in case he doesn't, our snowmaking team is ready to go into operation, weather permitting. As a point of information, our snowmaking team consists of Scotty, our very capable manager, and of course the snowmen themselves, Don Cutler, Art Hilger, Bill Smith, and Don Richardson. I can assure you that if there are snow temperatures around we will have snow to ski on. I'm sure that this is on a lot of members' mind at the present time.

I wish to remind all young skiers that Dr. Alan Ryan and the Racing Committee has a great racing program waiting for you, so join up and enjoy.

My personal thanks to Joyce and Evan Evans for their efforts in the last 'Leaf, one of the best, and I wish them success on future editions.

I wish to express my appreciation to the Board of Directors for the hard work and the consideration they give for the betterment of the club, and consequently the comfort and enjoyment of all the members.

Happy holidays,
Mike

OPERATIONS: Ed Anderson

Snow is falling at Holimont and soon the slopes will be ready to receive our members and their guests. We have been receiving many complimentary comments relative to our new Meadow Chair. This chair is ready to operate and is only waiting for the first heavy snow fall. This new chair increases our up-hill capacity by 33% and as such skiing at Holimont should be even better than it has been in the past. Share our great facilities with your friends by inviting them as your guests. Reservations can be made by calling (716) 699-2320 between 9:30 A.M. to 2:30 P.M. and after Noon on Saturday and Sunday.

Guest fees for the 1980-81 season are as follows (in U.S. funds):

	<u>Weekends and Christmas Week</u>	<u>Weekdays</u>
Adult	\$14.00	\$11.00
Junior (11 yrs & under)	\$10.00	\$ 8.00
J-Bar	No Charge	No Charge

If you have not received your lift passes prior to the first day of skiing, please check at the club office. See you on the slopes!

The planned schedule for operating the club skiing facilities is:

1. Open for weekend skiing prior to December 20th, whenever snow condition permit.
2. Open every day from December 20 through January 4.
3. Open every day, except Tuesday from January through the remainder of the season.
4. During the weeks of U.S. and Canadian school holidays, the club will not close on Tuesday. The dates of these Tuesdays that the club will be open are February 17th, and March 24th.

CALENDAR OF HOLIMONT COMING EVENTS:

December 20: Club opens for skiing every day.
December 24: Christmas Caroling begins at 7:30 P.M.
December 25: Club open at 12 noon for half day of skiing.
December 26: Ski school begins.
December 27: Christmas Racing Camp Begins.
December 31: New Years Eve Party at the Main Chalet.
January 4: Disco Night at the Main Chalet.
January 5: NFSC II & IV Qualifier Race.
January 17: Annual Ski Patrol Dinner.

Church services at Holimont will begin Sunday, December 28, at 8:15 A.M. at the Racing Center. They are conducted by Rev. Thomas Oxtoby of the United Church of Ellicottville and assisted by Jack Mason. Everyone is welcome.

ELLCOTTVILLE HAPPENINGS:

On Sunday, December 14, at 5 P.M. the Mens and Boys Choir of St. Paul's Episcopal Church of Buffalo will perform a Christmas Concert at the Holy Name of Mary Catholic Church in Ellicottville. This concert is being sponsored by the Ellicottville Arts Appreciation Association. If any of you are in town, please plan on staying for this special event.

The 1887 Building has more new tenants; Debnme Antique Shop, Stained Glass Studio, and a new custom woodworking shop. Another newcomer to Ellicottville is an Unisex Hair Styling Salon on West Washington Street(look for the signs).

JOHN CHEW HONORED

The semi-annual meeting of the Niagara Association of Amateur Athletic Union of the U.S. honored John for his many hours of volunteer work for amateur athletes. Besides being an active competitor (marathon running) he has coached many young runners. He was selected manager of the USA national cross country team which competed in the World championships in France this past spring. He was also very instrumental in bringing the Olympic Marathon and the 50 Kilometer Race-walking trials to The Niagara area. We ~~know~~ the members of Holimont join us in congratulating John for his outstanding work!

HOLINOTES:

Those of us in E'ville keep wishing for a big snow storm that would give us a foot or so. The village is taking on a festive air with the ski shops busy tuning skis, fitting boots, and showing the newest styles in clothes. It all makes us very itchy to get on the hill. Some of our instructors, Jack Kramer, Mike Francesco, Tom Gingrich, are off to Mt. Snow, Vt. for the 7th Annual Instructors Training Course sponsored by the EESA. So you see, the instructors have to go to school before they can teach us. Mother Sybil is back in town with 8 boys to clean and cook for...sure hope she has time to ski. Best wishes to Sage Cutler and Jill Stoecklin who will be married on Dec. 20th.

CHRISTMAS AT HOLIMONT - John McHugh

The first Christmas at Holimont was a very dark affair...not a single light on the hill. A few years later, when chalets were built, Christmas lights blossomed on the chalets of Mellinger, Vaughan, Buell, Hazard, Myrehouse, Gallagher, Wright and Fuller, Hilger, and Richards to name some of the early ones, and the spectacle became a local sensation. Literally people from around the County drove over to see the Christmas lights at Holimont. Members driving in from Rochester, Cleveland, Buffalo and Canada experienced a great lift when they saw the beautiful sights. If your chalet is not lighted, why not add to the splendor this year?

The Christmas Holileaf of 1964, announced three Holimont presents. The first was the completion of the T-Bar, a big lift; four female and two male Pullman flush toilets had been installed (how do you tell the difference between a female and male Pullman toilet?); but the biggest present of all was the announcement that Scotty Lavtar had been appointed Director of the Ski School.

The Christmas 'Leaf of '65 said that Holimont had received a present of a new "gravel" floor, first class, fine gravel. Remember those days when you "worked" your way around the chalet in that first class gravel, and it was alright to spill anything on the floor?

The Christmas 'Leaf of '66 announced the first organized caroling on the hill, led by Pied Piper, Latin Love Joe Sergeant, beginning at the Main Chalet and winding up to all the chalets. The 'Leaf said that Joe sounds much better singing outside anyway. Let's do it again this year and have enough people out so they hear it in the Village.

The 'Leaf of 1970 had a take-off on the Hymn "O Come All Ye Faithful", a part of which went:

O, Come Ye All to Holimont

There the night skies go forever, into aeons yet unknown

In the stillness of the hilltop, you can claim them for your own

With the myriad stars unveiled here, nursing thoughts you never knew

Oh yes, Come ye all to Holimont, lovely haven in the hills

Come you softly with the Spirit, Holy Christmastime instills

Come in Peace and Love and Kindness, Godlike treasure of the Soul

Come, you'll find them in abundance, they will help to make you whole.

(Thank you John, a lovely addition to our Christmas edition,)

JET SET: February 7, 1981

A good time was had by all at last year's Jet Set Night - and we invite you and your friends to join us again this year. This lottery event, complete with hors d'oeuvres and drinks for the adults, supper and entertainment for the kids, helps to raise funds to provide for the fine coaching and the facilities for Holikids in the racing program.

Tickets for JET SET NIGHT will be on sale after Christmas at \$15.00 US per couple or \$18.00 Canadian.

A very important part of Jet Set are the gifts donated by merchants and club members. If you are interested in being one of these Jet Setters contact: Mark & Bonnie McAllister, 500 Green Rd..N. Stoney Creek, Ont. (416) 662-3154, or Don & Jean Richardson, 324 Mount Pleasant Rd. Brantford, Ont. (519) 756-6422.

Did you know....that in the past 6 years over 700 kids enrolled in the Christmas camps? Over 400 of these went on to the season racing programs? Almost 250 of these kids represented Holimont at various New York State Meets? They deserve our support!

SOCIALLY SPEAKING: Sybil & Barney Matteson

December is here and the snow is comin'.....so the parties will be happening before we know it.

♪ December 24th, Wednesday night, we meet at 7:30 P.M. at the top road of Holihuts near the slope.....everyone is welcome. We will sing our way to the bottom. We need lots of singers and lots of listeners.....so leave your lights on. After caroling, hot chocolate and Christmas cookies at the Main Chalet will conclude our evening. Of course, for the late night people there is a candle light service at the United Church is town at 11 P.M.

📢 December 31st, the following Wednesday is our New Years Eve party at the Main Chalet. Joan and Bill Weir are in charge of this committee and wish to have a good responsive crowd for this evening. Reservations are to be sent to Sybil Matteson, 1/2 General Delivery, Ellicottville, NY 14731, as soon as possible. See reservation form in this 'Leaf.

January 3rd, is our disco band night with Judy and Barry Swift hosting the party. Watch for their signs during the Holiday week, and save the night. They do a swinging evening!

January 17th is the ANNUAL SKI PATROL DINNER. Pre-dinner refreshments are super.....food is great.....the people are even better. Reservations are limited so be sure to save this date! More information is the next 'Leaf.

This takes us through January with parties already scheduled. Anyone wishing to get into the act....it's fun, easy, and a great way to meet new Holimont friends, just give a call to Sybil Matteson (716) 699-2740, we'll be glad for your support.

MEMBERSHIP: Dave Pitkin

We welcome the following families to Holimont and wish them many fine years of skiing and good fellowship:

JOHN BRADY, Mississauga - his wife, JOAN, and Children, John Jr., Cam and Kevin
DARLENE ARMSTRONG, Niagara Falls, Ont. - daughter, Kristin Elaine

Our membership is now full. We are presently working our way back to 380 families through resignations.

The Board of Directors has regretfully accepted the resignations of the following families: Dr. Eric Nielson, Nancy Harris, and Al Mahar. We will miss them and wish them good luck in the future.

Our "Prospect List" has been decreased as a result of about thirty(30) people we were unable to locate. We welcome all inquiries by members wishing to determine the location of their friends on the list. Please call: Dave Pitkin (716) 662-9479 evenings.

DEADLINE FOR JANUARY ISSUE OF THE HOLILEAF IS DECEMBER 29, 1980.

A very Merry Christmas and a Happy and Healthy New Year from your Editors,
Joyce, Evan, Cindy, and Sue Evans

SKI SCHOOL: Jack Kramer

For the 80 - 81 Ski season these will be the ski school programs for Holimont. Like ski technique, programs for the skiing populace change as new ideas are brought forth. Please take advantage of our excellent teaching personnel and enjoy the new additions to the ski school activities.

A. Old Programs:

1. Ski School Group Lessons on Saturday and Sunday at 10:30 A.M. and 1:30 P.M. Private lessons anytime.
2. Men's and women's review classes on Saturday and Sunday morning.
3. Midweek ski school, Wednesday through Friday at 1:00 P.M. , Private and/or special group lessons by appointment.
4. Christmas Camp Dec. 26 - Dec. 28. Review for all ages at all levels of ability. Freestyle camp also Dec. 26-28.

B. New Programs:

- 1.
1. Maybe they'll be snow this year so we can learn snow skiing instead of ice skating!
2. Monday Ski School - Did you have a bad Saturday and a disgusting Sunday? Then stay over to Monday and take a private lesson Monday morning, as instructors will be available from 10 A.M. to 1 P.M. for private help only.
3. Holi-kids - If your son or daughter isn't interested in racing, but you feel they need (or you need the relief) qualified instruction with children of their own age is available on Saturday and Sunday from 10 A.M. to 11:00 A.M. Two age groups; 6 - 8 and 9 - 11.

Any questions call Jack Kramer (716) 699-2105, or talk to any instructor. See you at the bell!

"For Auld lange syne....." Holimont goes traditional on New Year's Eve this year. Meet your old and new friends and our Ellicottville Ski Club friends on Wednesday evening December 31st, to ring in the New Year. Our hard working decoration committee has promised a cozy and intimate "dinner in the loft" with linen cloths and candlelight. Ladies, wear your gowns or long skirts and fellas, your jackets (or black tie, if you wish). DO YOU DARE?

Champagne will be served at eight o'clock followed by a prime rib dinner at nine. Dinner music and later, music of the decades will entertain us; last but not least, midnight.....WHOOPEE! Mixers will be on hand, please provide your own liquor.

We have contracted for dinner for sixty couples at a cost for the entire evening of \$12.50 per person. Make arrangements to come with a few friends and reserve early. Seating will be arranged in the order that reservations are made.

Send your reservation form below with \$12.50 (U.S. FUNDS) made to the Holimont Social Club by December 20th.

Please reserve our places on New Years Eve for the following members and guests at \$12.50 (U.S. FUNDS) per person.

HOLINOTES - EDITORS

This will be the only issue of the Holileaf you'll receive before the Holidays and it might be a good idea to bring it with you if you're planning to spend some time in Ellicottville. Please pay particular attention to the Social Schedule and the Operations report covering hours of operation and Guest fees. Income from guests continues to be a very important factor in helping to keep the annual cost of skiing at a low level. Please remember to bring your friends - the Meadow Chair increases the up-hill capacity by one-third. We have said it before, the Village of Ellicottville has done a great deal to provide services for its residents. Ice skating should be available in the new Town Park area. Extensive Fire Protection is available from local volunteers and new fire fighting apparatus is capable of reaching remote hillside Chalet sites. Ambulance service is also available on a volunteer basis. The Chamber of Commerce has several sub-groups which promote Arts Appreciation, support village beautification, and improve accommodations for overnight guests. Holimont is a member of the Chamber of Commerce and helps support these activities, as well as the volunteer Fire and Ambulance Services. We sincerely hope that members will somehow express appreciation also. Speaking of Appreciation, here's a big THANK-YOU to the Ski Patrol in advance of the season. Why not ride the lift and ski once or twice with a member of our Ski Patrol; notice how well they ski, and remember how well they're trained in first aid, lift evacuation, and other emergency procedures. They're volunteers, too!

There are new slopes and trails developed by your Club Engineer, Don Cutler and the Hill Committee headed by Art Hilger. You are sure to be pleased. For a short time we will have to experiment with signs warning of intersections and potentially dangerous areas. Meanwhile, we urge you to use caution at all times when skiing in the new Meadow Area. Mike McCullough and his Hill Safety Committee have been instructed to keep the injury rate even lower than last year. Remember, too, that it is every member's responsibility to make certain that everyone in his family, and each of his guests is familiar with, and obeys, the safety rules and skier's code as posted in the main chalet. We've referred to this program as "SKISAFELY". To ski and have fun at Holimont is to "SKISAFELY".

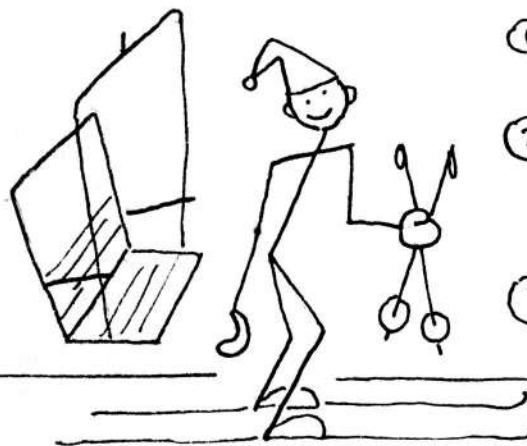

Stop in and say "Hello" to Joe and Val Kloczek, the new managers of the Chalet lunch counter facilities. You're sure to enjoy the excellent menu they have arranged for us and we look forward to an excellent season with them and their staff. While we're in the greeting mood, "Hello" again to Scotty and Barb Lavtar. Barb and the girls and son Karl still have a fashionable suntan from a long summer by the side of the pool. Scotty also has a tan, under his new beard.....grown strictly for warmth, not for the first snowfall as was the case last year. Forgot....Joe and Val Kloczek live in Little Valley and also Manage Peppi's restaurant there.

Remember the easy way to get on the two new Chair Lifts without being bumped in the back of your leg? Look below:

SKISAFELY!

RIDE
SAFELY!

DRIVE SAFELY!

- ① Hold Ski Poles in your inside hand
- ② Step quickly into Position, Look to the OUTSIDE
- ③ Catch the Chair with your OUTSIDE HAND - Keep Arm Straight
